Dear Fellow Shareholders,

On December 21, 2017 the Board of Directors of Citizens National Bancshares of Bossier, Inc. declared two dividends for shareholders of record January 4, 2018. The first dividend was set at \$.25 per share in cash and the second was a five percent stock dividend. You will find enclosed a dividend check for your cash portion of the dividend, as well as your certificate for your stock dividend. As we discussed in our November of 2017 letter to our shareholders, these dividends represent the Board's commitment to retain appropriate levels of capital in the company and return excess capital to our shareholders.

On January 18, 2018 Citizens National Bancshares of Bossier, Inc. completed our conversion to Computershare as our transfer agent. The conversion went well and we have had good feedback regarding Computershare from a number of shareholders. We look forward to providing the enhanced reporting and functionality Computershare will offer our shareholders. For additional information on Computershare and the appropriate procedures for effecting stock ownership change you can contact our CFO Chris Willcox at cwillcox@citizensnb.com or 318-213-1484.

We have also completed our subscription with Banclist.com. The system has been tested and is ready to accept both purchase and sell requests.
