

Bonvenu Bank is pleased to announce our partnership with My Private Shares, a shareholder relations service that provides you with a simple way to manage your Bonvenu Bank holdings.

When you create your free user account you will be able to view, respond to, and create active Buy and Sell postings as well as keep up to date with news about our bank.

We invite you to get started by sending Tommy Boggs, our Executive Vice President and Director of Shareholder Relations, your email address along with the number of shares you own.

Tommy's email address is:

**[tboggs@BonvenuBank.com](mailto:tboggs@BonvenuBank.com)**

Tommy will email you an invitation to access the Citizens National Bank shareholder relations site. It will look like this.

MY PRIVATE SHARES<sup>SM</sup>

## Welcome to My Private Shares!

Peter, you have been invited.

You have been invited to the My Private Shares platform to join **Citizens National Bank**. Follow the link below to finish signing up.

Submit

If you and another shareholder want to start the transfer process, they click the “Ready to Initiate Transfer” tab.

## Almost Done!

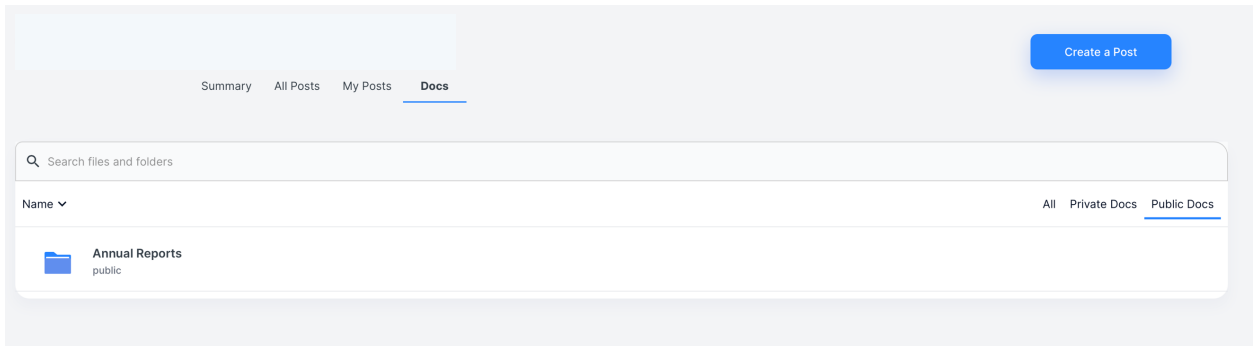

You will be redirected to your holding's documents section. Open the document titled "Transfer Instructions" to find out your next steps! This document will contain an easy explanation on the next steps to complete your transaction.

Thanks

NOTE: All postings are for informational purposes only and do not represent an agreement to complete a transaction. Issuers and their transfer services providers must review all required documentation from all parties to a transaction before a transaction can be approved and completed.

You will see instructions in the document tab. If you want to view informational documents that we have uploaded to the site, click the Docs tab. You can open any Public document or a Private document you see listed.

We hope you will enjoy using this valuable shareholder relations service that we are offering to you free of charge.

Please contact us if you require assistance. Thank you.
