## Debts FAQs

Note: These FAQs are taken directly from the in-product help. If you're assisting users and you're in your own account so you can talk then through their issue more effectively, you can find all this information there.

## Overview

- Debts automatically pulls in all your liability accounts.
- Select the "Fastest Payoff" dropdown to change the payoff method to see how various payoff methods will affect your debt timeline. Your choice here also controls the Priority order in the list.
- Select "Total Monthly Paydown" to add money to your monthly payment to get you out of debt faster.
- Each color in the chart corresponds with the number color in the list.
- Select a debt in the list to edit it.

## Edit a Debt

- Schedule tab contains payoff details
- "Hide from Debts" removes the debt from the main debt chart. Most useful for debts that you pay in full each month.
