

Net Worth FAQs

Note: These FAQs are taken from the in-product help. If you're assisting users and you're in your own account so you can talk then through their issue more effectively, you can find this information there.

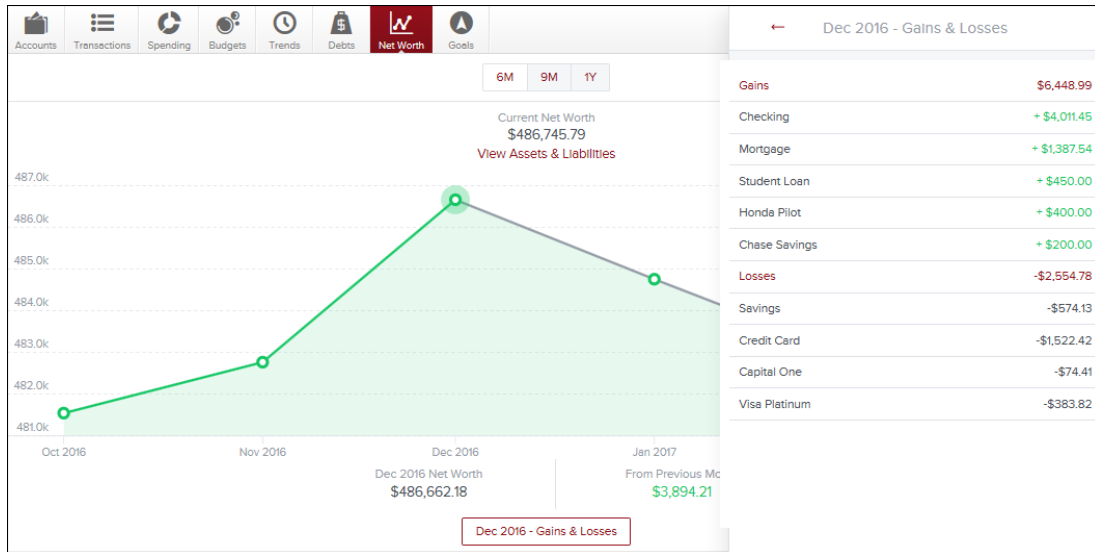

Overview

- Net Worth tracks the net sum of all your assets and liabilities over the past year.
- The dots on the graph represent your net worth for each month; the lines on the graph represent the change in your net worth from month to month.
- Select a date option to change the selected range.

Gains and Losses

- Selecting a specific dot on the graph and then the Gains & Losses box at the bottom will display the gains and losses for that month.
- Select an account to see transactions.

Assets and Liabilities

- Select “View Assets & Liabilities” to view net worth details organized by type.
